OFLAMERON AGI languages Data Set

AGI Language Model. Mem:

- Turned on the TV. It's not clear how and where to write comments. How to repost. How to like. Turned off. What nonsense

98.

- Это страшный человек. Ничего не боится. Он может утром на пять минут закрыть глаза. И открыть...

OFLAMERON AGI languages Data Set

AGI Language Model. Mem:

- This is a scary person. He is not afraid of anything. He can close his eyes for five minutes in the morning. And open them... And not oversleep...

100.

AGI Language Model. Mem:

- What do you mean "I can't"?

- It's like "I can", only in reverse
